SUBJECT: BLUE LANTERN LEVEL 3: POST-SHIPMENT END-USE CHECK  
ON LICENSE 05-050036317

REF: 2006 BLUE LANTERN GUIDEBOOK

¶1. This is an Action Request. See paragraphs 2-4.

¶2. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Posts' assistance in conducting a post-shipment end-use check on license number 05-050036317 for the export of defense hardware to Oman. Posts are requested to complete this Blue Lantern inquiry within 45 days. Lack of response to a Blue Lantern inquiry will affect pending and future licenses involving parties to this license.

¶3. Reason for request: Watchlisted foreign consignee has never been the subject of a Blue Lantern inquiry.

¶4. Action London: Department requests that Post make inquiries to establish the bona fides of Amsafe Bridport as a responsible recipient of United States Munitions List (USML) items. Conduct a site visit in order to assess the company's operations, reliability, and on-site security. If a site visit is not possible, please inform PM/DTCC case officer. Reiterate that unauthorized re-exporting and retransfer of USML items is strictly prohibited. The following questions provide suggested guidance:

- Please confirm an order that was shipped under license 05-050036317.

- How long has your company been in the business of importing and selling defense articles? What other products are sold by your company?

- Are you familiar with the restrictions against the unauthorized re-export or retransfer of U.S.-origin defense articles?

- Who are your regular customers and where are they located?

Action Muscat: Department requests that Post make inquiries to determine whether or not the Sultanate of Oman received the below-listed items for the purpose stated on the license.

End Action Request.
